**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need the competition that companies like Sonic provide. I work from home and require the ability to stream, and quickly up- and download video for my clients. Sonic has provided me with a service that is 10 TIMES FASTER than my previous provider and is essential for my business. Competition is important for the health and productivity of the market, and as a small business owner I need to have prices stable.
